Only One More Week of Open Surveys!

As the district begins planning for the 2022-23 school year, it is important to hear from all stakeholders about what we should be focusing on. To that end, surveys have been sent to all families, employees, and students in fifth-grade and up. Opportunities for students in grades three and four are also in place.

Surveys were emailed to families three weeks ago, with a reminder sent last week. To date, less than 10% of parents have completed a survey. Each Friday, we will email a gentle reminder asking parents to let us know their thoughts about how we're doing until the survey closes on Friday, February 25, 2022.

We encourage all parents of NHUSD students to complete the survey and help to shape the district's Local Control and Accountability Plan (LCAP) and the priorities for the New Haven Unified School District.

Thank you!

All District Schools and Offices Will Be Closed Monday, February 21, in Honor of Presidents Day

Save the Date

Presidents Day
Monday, February 21

James Logan High School

2022 National Merit Scholarship Finalists

Congratulations to the following James Logan Students who are finalists in the 2022 Competition for National Merit Scholarships. The National Merit Scholarship program has now determined which of the 16,000 semifinalists named in September 2021 that have met all requirements to advance to Finalist competition and Logan has seven students advancing:

Rayna Arora
Ariv Gupta
Daniel Liu
Anakha Ganesh
Sidney S. Len
Aditya K. Mittal
Karthik K. Mittal

Congratulations to all of our Finalists and Good Luck!

Interested in Joining Our Bond Oversight Committee?

The New Haven Unified School District is looking for community members to participate in the Citizens' Bond Oversight Committee. Specifically, the District is seeking a member active in a bona-fide taxpayers association.

If you meet the criteria and are interested in participating, please click here for more information.

College Connections Information for Current 10th and 11th graders

We would like to share with you some information about an educational option that is available to students in 10th and 11th grade for the upcoming academic year. College Connections is a Middle College program where students take their high school English, History, and an Advisory Class called Middle College Seminar on the James Logan campus in the morning from Logan teachers, while taking 2 or more college courses through Ohlone College for the remainder of their schedule.

Our program may be a good fit for students who:

- Are looking for more flexibility in their school schedule
- Would like to be part of a tight-knit community of learners
- Are interested in being a part-time college student next year
- Are looking for a broader array of class choices

If this sounds interesting, College Connections may be the program for you!
Please check out the College Connections website for more details. Please join us for one of the informational sessions to learn more about the program and the application process and to hear from College Connections teachers and students. **Applications are due March 15th.**

Informational Webinar: Tuesday, March 1st
7:00-8:00 pm: Webinar link

Lunchtime Sessions for Students (select one/ available during both lunch periods in room 405)

- Tuesday February 22nd
- Tuesday March 1st

Additional Information Sessions will be added–please check the website for updated dates.

If you have questions about the College Connections Program, contact:
Margo Fenzl/ English Instructor mfenzl@nhusd.k12.ca.us
Allen Chan/Social Studies Instructor achan@nhusd.k12.ca.us
Renee Dutra/Guidance Counselor rdutra@nhusd.k12.ca.us

ICL is Looking for Freshmen!

Are you looking for a supportive, close-knit community at Logan for your soon-to-be-freshman? ICL Enrollment is NOW OPEN for the 2022-2023 school year!

Learn more on our website. You can also see our informational slideshow (with links) here, and watch a recording of our February 17th meeting here!

Enrollment for the 2022-23 School Year Has Begun

The New Haven Unified School District is now accepting enrollments for the 2022-23 school year. Currently enrolled students do not need to be reenrolled. This process is for incoming TK and kindergarten students as well students new to the district or families from outside the district that wish to enroll in a New Haven school next year.

Transfer requests in New Haven for the 2022-2023 school year are now being accepted and are due March 25, 2022 to be processed for the 2022-2023 school year. Transfer requests received after March 25, 2022, will still be accepted and reviewed during the summer for approval, based on space availability.

Transfers can include non-resident students transferring into New Haven (inter-district transfer) or resident students transferring to another New Haven school (intra-district transfer).

Please refer to the New Haven 2022-2023 Enrollment webpage for more information about enrollment, intra-district transfers, and inter-district transfers.
